

Monthly Dues Payment by Credit Card or E-Check

Dear Homeowner

Due to changes in bank policy, Basic Property Management and **Dillon Valley West** will no longer be associated with Union Bank. If you have set up a recurring payment with Union Bank or you have been accessing Union Bank to make a one-time payment on a monthly basis, this service will not be available after 12/31/2019.

We have aligned with Alliance Association Bank to accept payments by credit card or e-check for your monthly dues.

To make payment, open your web browser and enter address:
www.allianceassociationbank.com

Scroll down the page and click either of two boxes to pay my either a credit card or e-check.

When prompted, enter the following information:

Management Company ID: **7296**

Association ID: **DVW**

Property Account #: **(homeowners last name that is on the account)**

For your convenience, a homeowner's guide to making payment is attached. If you have any questions with the setup of your online payment, please call (844)739-2331 where an Alliance Bank associate will guide you through the process. If you are signed up for ACH through the Basic Property office nothing needs to be done by you as the changes will be made in our office. Thank you for your patience!

Sincerely,

Basic Property Management
